

Here is a picture of my personal pin which has a message---

“Leave a shadow of your life....thru SERVICE”

Our shadow does not follow behind in the past but leads us forward to the future and to bigger and better things.

When we do service projects or hold a fund-raiser, we never know how FAR our shadow will reach, and how MANY people we will impact with our care and our donations. Please join me in seeing just how far our shadow will lead us! Ask more people to join Lions

Club. Be on the look-out for projects your club can do which will make an impact on others. Donate to Iowa Lion Foundation and Lions Club International Foundation and make an impact on the whole world!

DG Jerry
