Please Follow these Guidelines to Make the Process Flow Smoothly

1. S4S recommends 13-gallon trash bags with ties to store them in the storage unit. This makes it easier for the men to load them on the semi-truck. Please put 20 shoes (not pairs!) in each bag. (NOTE: 9SW clubs need to report the number of pairs of shoes to Allen Zobel at 712-304-5066 or email him at 46azobel@gmail.com.)
2. To make sure someone is available to open the storage unit for you, call the club contact (above) a day or so before you will be delivering your shoes! Arrange a time to meet your contact and unload your shoes.
3. If the CONTACT does not answer immediately, leave a message with your call back number. They will return your call.

NOTE: If anyone needs a tax donation receipt for the shoes they donate, go to
